From the sensational #1 New York Times bestselling author Jojo Moyes, a new book featuring her iconic heroine of Me Before You and After You, Louisa Clark

Louisa Clark arrives in New York ready to start a new life, confident that she can embrace this new adventure and keep her relationship with Ambulance Sam alive across several thousand miles. She is thrown into the world of the superrich Gopniks: Leonard and his much younger second wife, Agnes, and a never-ending array of household staff and hangers-on. Lou is determined to get the most out of the experience and throws herself into her job and New York life within this privileged world.

Before she knows what's happening, Lou is mixing in New York high society, where she meets Joshua Ryan, a man who brings with him a whisper of her past. In Still Me, as Lou tries to keep the two sides of her world together, she finds herself carrying secrets--not all her own--that cause a catastrophic change in her circumstances. And when matters come to a head, she has to ask herself Who is Louisa Clark? And how do you reconcile a heart that lives in two places?
